TRUCK HYDRAULICS

L.A. Fasteners is an Aeroquip Express center. What does this mean to you? It means better selection, better pricing, and of course hoses made while you wait. L.A. carries all types of hydraulic hoses, hose protectors, fittings, couplers, and adapters. From common pipe and JIC styles to metric, BSP and all combinations in between, you can be sure everything you need is in stock.

L.A. also carries Dixon, Europower.
